Under the direction of
Amie Alden
Livingston County Historian

Introduction

This collection was arranged and described as a project completed between June 2008 and July 2010 by Nicole Menarchem as a volunteer while pursuing a Masters Degree in Library Science in the School of Graduate Education, Department of Library and Information Studies at the State University of New York at Buffalo.

The papers were arranged and described in an effort to preserve the original arrangement of the documents as they came to the Livingston County Historian's Office. The documents, as they were originally housed and labeled in folders by Kay Clark, are still organized and labeled according to their original folders. All binders are organized by date. Although the original document organization has been preserved overall, some sections were alphabetized by name. All binders that have been paginated have had veteran names added to the Livingston County Historian's Online Records Index.

Documents in the collection are housed clear sleeves in binders with ephemera housed separately in an acid-free archival box. In the future, the county historian's office hopes to carry out other arrangement and preservation activities with this collection.¹

¹ See Appendix 1 for Arrangement Notes.

Guidelines for Use

Use of the documents in the collection is for serious research and by request and permission of the Livingston County Historian. Any use of the series material in publications must be cited as follows, “Courtesy of Livingston County Historian’s Office, New York.” Additionally, all documents should be handled with care.

To arrange to conduct research with the documents in the collection, contact the Livingston County Historian by mail at: 5 Murray Hill Drive, Mount Morris, NY 14510, by phone at (585) 243-7955, or by e-mail at Historian@livingstoncountyny.gov.

Organizational Sketch

Founded in 1967 by Kathryn “Mama Kay” Clark (Mrs. Relly S. Clark) (b. 1912 d. 1991) and Livingston County residents, Operation Morale sent packages to servicemen during the Vietnam War. Operating between 1967 and 1972, Operation Morale had two to three mailings each year with the number of packages ranging between 900 and 1500 per mailing. Boxes contained various items including pre-sweetened Kool-Aid, instant soup, coffee kits, candy, gum, Life Savers, playing cards, peanuts, nail clippers, pens, stationery, foot powder, sewing kits, socks, and cookies (baked especially to travel well according to Mama Kay’s special recipe).

Along with the boxes surveys were sent asking the soldiers if they would like to receive mail from home or recommend other soldiers to receive boxes. Of those surveys returned, at least 27 states were represented along with a plethora of letters of appreciation, thank yous, photos, and cards. Along with newspaper clippings and organizational material, these are the items that comprise the Operation Morale Collection. This collection was donated in 2008 to the Livingston County Historian’s Office by Mama Kay’s son, James Clark, resident of the town of Avon and art teacher at the Geneseo Elementary School.

Series Description

Kay Clark, Operation Morale President.

Operation Morale Series, 1968-1970.

Collection No. C118

20 volumes (10.2 cu. ft.) including an ephemera box. The documents, as they were originally housed and labeled in folders by Kay Clark, are still organized and labeled according to their original folders. All binders are organized by date except for five binders where the documents were not originally grouped by date. Although the original document organization has been preserved overall, some sections were alphabetized by name. Documents are housed into binders and sheet protectors as well as expandable file folders. Documents are both handwritten and typewritten and in good condition except for some minor stains. Greeting cards are also in good condition. Ephemera include rubber stamps, labels, and other organizational items.

Created by Kay Clark and associates through correspondence, organizational business, and correspondence with servicemen.

Records contain correspondence, press releases, newspaper clippings, photos, greeting cards, survey forms, and ephemera. Records include administrative and legal documents associated with the Operation Morale organizational business. Scope of records includes correspondence from servicemen from at least 27 different states.

Appendices

I. Arrangement Notes

1. Binders are labeled 1-20, but are sub-labeled (in parenthesis) according to the indexing system used in the Online Records Index.
2. Most documents are indexed in the Livingston County Historian's Online Records Index according to year, binder sub-label number, and page number. For example "1970 B2 P4" is "1970 Binder 2, Page 4" which uses the sub-label for Binder 20. NY indicates "No Year", also a sub-label to ND or "no date". Use the attached list of binders sub-labeled for conversion.
3. When labeled in the Livingston County Historian's Online Records Index, a reference to "additional documents" indicates that the individual's records contain a letter or multiple documents.
4. The remaining work to be done on this collection includes the following:
 - Add remaining Binders 3 (OM NY B3) and 5 to the Online Records Index.
 - Examine Binder 5 and possibly reorder contents into more appropriate locations and binders.
 - Take further preservation steps:
 - i. Separate envelopes into their own sleeve
 - ii. Photocopy newspaper articles
 - Add the names of servicemen on the following pages to the Record's Index if they are not already entered:
 - i. 1970 B1 P34, 89, 90
 - ii. 1970 B2 P35
 - iii. 1969 B3 P78
 - iv. 1969 B6 P32
 - v. 1968 B1 P56
 - vi. NY B1 P26, 89
 - vii.** NY B2 P12
